REFUND/CREDIT POLICY

Before the course begins: \$25 administration fee.

After the first class:

Refund available, subject to:

- \$25 administration fee
- 10% penalty on the remaining balance
- Cost of the first class

From the second class onward:

No refunds. Please note that the day of the second class counts as a full class, regardless of the time the refund request is made.

Missing a class does not count as a cancellation. You are still responsible for paying the full activity fee, even if absent.

Refund requests must be sent by email to info@centredusablon.com before the course starts.

A prorated credit may be granted at any time upon presentation of a medical note.

Credits are non-refundable and non-cashable.

No refunds will be issued for amounts under \$25.

Each request will be reviewed by management. The Centre reserves the right to grant or deny a credit for the remainder of the activity.

Credits must be used toward a new registration no later than one (1) session afterward and within the same calendar year (when possible, unless the credit is granted for the fall session).

NO CREDIT NOTES MAY BE APPLIED TO MEMBERSHIP CARD FEES.

Refund processing time: 10 business days.

ACTIVITY CANCELLATION BY THE CENTER

The Centre du Sablon reserves the right to cancel an activity if registration numbers are insufficient or for any other reason deemed valid. In such cases, a full refund will be issued.

Any activity cancelled due to force majeure (e.g., power outage, fecal or vomit incident in the pool, etc.) is non-refundable and non-creditable.

If the class can be rescheduled, you will be contacted by the department responsible for the activity.

FEES AND PAYMENT TERMS

Registration fees must be paid in full before the start of the activities.

Taxes are not included in the activity fees for individuals aged 15 and over. Some activities may include additional fees, which will be communicated to you as applicable. Prices are subject to change without notice.

Accepted payment methods: cash, debit, and credit card (Visa and Mastercard).

The Centre will automatically withdraw a participant from an activity if payment has not been made before it begins.

TAX CREDIT

To take advantage of the children's fitness tax credit, you must keep your registration receipts.

For the issuance of RL-24 receipts, the social insurance number of one of the parents is required. Only the day camp and children's garden activities are eligible for these receipts.

The statement will be available in your IC3 online account starting February 28, 2025. No postal mail will be sent.

MEMBERSHIP CARD

The annual membership card is mandatory for all participants in any activity at the centre and is non-refundable.

NOTE:

FITNESS

Power Fitness Reset

NEW!

It's a complete and energizing workout designed to rebuild strength, improve endurance, and reset overall fitness. The class combines powerful functional movements with controlled strengthening intervals to awaken the muscles and enhance stability. Each session emphasizes proper technique and mindful transitions to help participants reconnect with their bodies.

Pilates Fitness (All Levels)

In this class, you will perform mat exercises primarily targeting the core muscles and thoracic breathing. The exercises are adapted to respect each individual's limits.

Pilates Reformer (All Levels)

This small group class allows you to train in a different way each session and helps you get in shape. It involves training on the Pilates Reformer machine. This type of workout targets the entire body, focusing on strength training and core exercises.

Stretching Plus (All Levels)

This class harmoniously integrates different stretching techniques, including Essentrics, into a concise and effective session. It allows you to achieve your stretching goals with precision and care. Our instructor provides modifications to meet individual needs.

Cardio Hero (All Levels)

This cardiovascular workout aims to get you walking, running, or cycling on machines. The trainer will guide you through the workout to get your heart rate up and improve cardiovascular fitness. It is a series of high-intensity interval training sessions designed to develop and increase your cardiovascular endurance. Our instructor provides modifications to meet individual needs.

Pila-Yoga (All Levels)

Pila Yoga is a dynamic fusion of Pilates and yoga, designed to build strength, flexibility, and balance. This class combines the mindful movement and core engagement of Pilates with the breathwork and flow of yoga. You'll experience a full-body workout that enhances posture, stability, and body awareness. Modifications are offered to match your pace and ability.

Mobility (All Levels)

The mobility class allows each participant to focus on maintaining and strengthening the joints, tendons, and ligaments. You will also work on flexibility and improving muscular movements within a range of motion, which is essential for effective muscle recovery. This class aims to reduce pain and improve overall health.

Aero-Tonus (All Levels)

Set to upbeat music, this workout boosts cardiovascular endurance while targeting key muscle groups. Expect a mix of dynamic cardio, bodyweight resistance, and light equipment work for maximum results. It's perfect for improving coordination, burning calories, and enhancing muscle definition.

Bougez et Tonifiez

This is a dynamic full-body workout that combines low-impact cardio with targeted toning exercises to strengthen muscles and improve mobility. Each movement is controlled and intentional, emphasizing posture, alignment, and core engagement. The class maintains an energizing yet accessible pace, making it suitable for all fitness levels. Participants work on overall body conditioning while enhancing endurance and balance. Sessions conclude with gentle stretching to promote flexibility and support recovery, leaving you feeling strong and refreshed.

Essentrics

This program blends dynamic stretching with gentle strengthening to lengthen and tone the body without impact. Its fluid movements engage the joints and activate all major muscle groups to improve posture, balance, and mobility. It provides a full-body approach that enhances flexibility, functional strength, and overall well-being.

MUSIC AND FITNESS

Zumba (All Levels)

It is a dance-based cardio workout set to Latin and global music. It uses interval training and simple choreography to improve endurance, coordination, and calorie burn. No dance experience needed; just follow the rhythm and move.

Zumba Fit Tone (All Levels)

A fun Zumba session, where rhythmic dance moves are combined with the use of light weights to tone and sculpt your body.

Zumba-SculptX (All Levels)

Combines 30 minutes of classic Zumba with 30 minutes of focused toning. Unlike Zumba Fit Tone, where light weights are used throughout, SculptX separates cardio and strength for deeper muscle engagement. Ideal for those wanting both dance energy and structured sculpting in one session.

Mix Form

NEW!

It's a dynamic, multidisciplinary 30-minute fitness class that combines cardio, strength training, mobility, and balance. Each session is different, alternating between various styles such as Tabata, Step, and other approaches to provide a complete and constantly refreshed workout. The class is suitable for all levels, with options to adjust intensity based on individual needs. Participants improve their endurance, muscle tone, and overall functional fitness.

Sky Kick

Light Kickboxing for Beginners and Intermediates

Learn the fundamentals of kickboxing, including punches, kicks, and defensive movements. The class is accessible and focuses on technique, fitness, and fun, without the pressure of high intensity. Perfect for those looking to get in shape while learning the basics of kickboxing.

Core Post Natal

NEW!

Core Post Natal is a gentle, restorative class designed to help new mothers safely rebuild core strength after childbirth. The session focuses on deep abdominal activation, pelvic floor recovery, and stability exercises tailored to postnatal needs. Movements are slow, controlled, and mindful to support healing and prevent strain. Core Post Natal provides a supportive environment where participants can regain confidence, strength, and functional stability in their everyday movements.

Boot Camp

NEW!

It's an intensive group workout that combines cardio exercises, strength training, and functional challenges. Each session alternates between fast-paced movements, varied circuits, and bodyweight exercises to work the entire body. The class is designed to improve endurance, strength, power, and personal discipline. Accessible to all levels, it offers options to adjust the intensity based on each individual's abilities. The dynamic, team-driven atmosphere encourages every participant to push their limits while having fun.

TEEN FIT

Teen Titans

Group activity designed for adolescents aged 8 to 13. This program teaches them the right combination of nutrition and exercise to help them adopt a healthy lifestyle from an early age. They will also learn proper exercise techniques to help develop a well-defined physique, proper alignment, and prevent injuries.

Teen Introduction to Strength Training

In this program, teens aged 14–15 are introduced to the Sablon-Fit training room. The trainer will teach the fundamentals of strength training to ensure proper workout habits and injury prevention using weight machines and free weights. This program is designed for teens with weight loss goals as well as young athletes looking to enhance their sports performance.

FIT PUMP

Corps En Feu **NEW!**

A high-energy cardio workout combining martial arts, boxing, and aerobic movements. It improves cardiovascular fitness, strength, coordination, and agility through punches, kicks, and bodyweight exercises. Suitable for all levels, it also enhances balance, endurance, and core control.

Boxing (All Levels)

A dynamic class combining boxing techniques with a full-body workout. It builds strength, agility, and endurance while focusing on punches, footwork, and cardiovascular conditioning. It's an excellent way to relieve stress, tone the body, and boost confidence.

H.I.I.T.

An intense workout alternating short periods of maximum effort with recovery phases. It burns calories, strengthens muscular endurance, and rapidly improves cardiovascular fitness. Suitable for all levels, it keeps the heart rate high and energy levels at their peak.

Muay Thai **NEW!**

Also known as Thai boxing, is a complete martial art that uses punches, kicks, knees, and elbows. Often called "the art of eight limbs," it develops strength, endurance, and mental discipline. It's a dynamic practice that enhances physical fitness while teaching self-control and confidence.

ADAPTED CLASSES

Aquatherapie

It is a gentle approach that uses the properties of water to improve mobility, strength, and muscle rehabilitation. It reduces pressure on the joints while allowing effective exercise through the natural resistance of water. This type of therapy is ideal for relieving pain, preventing injuries, and promoting recovery. Exercises can include walking, stretching, and strength training tailored to each participant. Suitable for all levels, aquatherapy combines well-being, safety, and effectiveness for a complete fitness experience.

Strength Training for Reduced Mobility

Specialized Class for Individuals with Reduced Mobility. Led by a Kinesiologist, this class focuses on chair-based strength training exercises for the upper body. Participants are encouraged to perform the exercises at their own pace.

Pulmonary Health

Guided by a Kinesiologist, this rehabilitative class focuses on chair-based strength training exercises for both the upper and lower body. You will practice breathing techniques throughout the class to engage your heart. The class also includes cardio exercises, either seated, standing, or walking. Participants are encouraged to work at their own pace.

Cardio-Muscle Stroke Rehab

This program includes full-body strength training exercises, as well as balance, coordination, and cardiovascular endurance work. The rehabilitation aims to help participants move better and strengthen their bodies to resume daily activities. It also focuses on breaking isolation and promoting social engagement!

Boxing for Parkinson's **NEW!**

Boxing has gained recognition as a beneficial exercise form for individuals with Parkinson's disease. The non-contact nature of the sport, combined with its focus on agility, coordination, and cardiovascular fitness, makes it an ideal workout. This class aims to improve agility, hand-eye coordination, strength training, cardiovascular fitness, and mental focus.

Reactive (Reverse Aging)

This class offers gentle, flowing movements that lengthen the muscles while deeply mobilizing the joints. Through a sequence of routines inspired by full-body strengthening and dynamic stretching, it helps improve posture, balance, and mobility. Ideal for seniors or individuals with low activity levels, it promotes a feeling of lightness, flexibility, and overall well-being.

Descriptions SPECIAL Needs

SPECIAL NEEDS

Social Skills* (Assessment required)

Social Skills is designed for children aged 5 to 11 with special needs, aims to explore and develop essential social skills such as verbal and non-verbal communication, emotion regulation, sharing, empathy, and much more.

Life Skills* (Assessment required)

Life Skills is an activity designed to help adolescents aged 12 to 17 with special needs develop social skills that are adapted to their everyday reality.

Adapted Sports* (Assessment required)

Adapted Sports introduces participants to different sports adapted to their level of functioning. They will also learn concepts such as sharing, teamwork, and following instructions.

Saturday Respite (Assessment required) **NEW!**

Saturday Respite offers a moment of relaxation and enjoyment for adolescents and young adults (ages 12–21) with special needs, in a safe and caring environment. A variety of activities will be available!

Thursday evening Respite (Assessment required) **NEW!**

Thursday evening Respite offers a moment of relaxation and enjoyment for children (ages 5–11) with special needs, in a safe and caring environment. A variety of activities will be available!

Private swimming classes - Special needs

These classes, designed for children with special needs (ages 3 to 14), offer tailored, safe, and caring support. Each session begins with an assessment of the child's physical condition and aquatic skills to set clear, individualized goals. The coach then develops a personalized training plan based on the child's abilities, expectations, and specific needs.

Swimming skills without parents (Assessment required) **NEW!**

Swimming Skills without parents is a great opportunity for children (ages 5–11) who want to discover or further develop their aquatic abilities in a safe environment. Guided by a specialized team, participants will explore the aquatic setting through games, motor exercises, and structured activities that promote confidence, independence, and enjoyment!

Swimming Skills Parent-Child **NEW!**

Swimming Skills Parent-Child is a great opportunity for children (ages 5–11) and their parents to have fun together! Children get to enjoy the water at their own pace, develop aquatic motor skills, and build confidence. Parents, meanwhile, develop their own skills as aquatic support partners.
